Dear Friend and Neighbor,

The Bryan Brothers Foundation supports numerous children’s programs in Caroline, Dorchester, Queen Anne’s and Talbot counties.

Over the last 15 years, the Foundation has provided over \$1.2 million in grants for Shore Kids. Much of our support comes from the generosity of our great community.

Through your generous assistance we have funded local law enforcement to combat the opioid epidemic among our youth, help feed school children who might otherwise go hungry, give students advancement opportunities and unique experiences, in addition to help fund camps for grieving children that have lost a loved one. We were also recognized as the 2018-19 Community Partner from Talbot County Public Schools having donated over \$180,000 to our public education system.

We are asking for your continued support to ensure all children on the Mid-Shore have the opportunity for personal growth. We are seeking sponsorships and donations for our **16th Annual Spring Event to be held on Saturday, April 13, 2019 at The Oaks in Royal Oak.**

Please review the enclosed annual report to see those wonderful organizations we have supported throughout 2018. We hope you will be a part of our continued effort to support Shore Kids.
