## Grant Report 2022

Dear Grant Recipient,

At the Bryan Brothers "Building Dream for Youth" Foundation, we are always striving to build a better community by providing opportunities for youth in our area through programs such as yours.

As a follow-up to the grant, you received during the last calendar year, the foundation requests you complete the following brief questionnaire as to the use and the outcome of the funds that were provided.

Please provide any additional letters, accounts, pictures, video or other media that further displays the use of the grants. If you would like to guest speak at a board meeting as to how your program benefited from a grant received by the Bryan Brothers Foundation, please let us know.

Regards,

Josh Poore
